

Of Mice and Men

Your task is to become an expert on the characters from the short novel, Of Mice and Men. You will be looking at a character and doing 4 things (some of these we will be doing in class):

1. Determining how this character was revealed to us (directly/indirectly)
2. Determining whether this character is Round, Flat, Static or Dynamic and why
3. Find a quote that supports the claim that this character is lonely
4. Find a quote that reveals this character's current dream or a dream that he or she once had
